

# Taulia Dowloaded

Unlocking Insights - A Year  
in Review of Taulia's  
Platform Data

## What's it like to be part of the world's biggest business network?

The following data provides insights into the world's only complete Working Capital Management Platform, which has over \$500 billion flowing through it annually.

Taulia's global network includes millions of suppliers in 100+ countries. Taulia is now part of SAP, whose systems support 84% of global commerce.

Let's look at what that means for the last 12 months...

**In the last twelve months...**

**>120K**

suppliers had access  
to funding

We facilitated

> **\$40B**

in funding

\*Gross invoice amount accelerated via DD and SCF products  
in 2024

# \$2.5B

of funding was to  
businesses who had  
been on the platform for  
less than a year\*

\*Businesses enrolled on the Taulia platform in the last calendar year

But what does that  
look like across your  
supply chain?

On average there are

**1418**

suppliers active\*  
on any one day

\*Active is defined as “a user who has requested an early payment”

**48.7**

average days  
paid early

We've funded

> \$3B

to SMBs in the past  
12 months

Why choose Taulia as your  
Working Capital  
Management Platform?

In the last 12 months,  
established buyers\*  
saved an average of

**\$1.8M**

\*Buyers with programs that have been active over a year

We've been  
active in

**67**

countries

And there have  
been over

**123M**

invoices approved on  
the platform

What else you should  
know about Taulia...

Our top funding day was

**23 Sept**

On that day we  
provided over

**>\$1B**

in funding

Taulia serves

**334**

Fortune 500  
Companies
